As they believe in Bergen County New Jersey but they are unable to state by whom they were married.

That the said Lodowick Brakeman in 1773? Entered the service of the United States in a company of militia Rangers in the then precinct of Canajoharie County of Tryon and State of New York and which is now in the County of Montgomery in July 1773 under Col. That there is no family Bible containing any family record that in 1796 the said Eve procured a School Teacher by the name of William Murray of Worcester Otsego County New York to draw and make a family record which was made by her dictation at the time.

That a part of the same showing the births of the four youngest children is now in possession of said Henry and is herewith entered that the older children from time to time cut out the part containing their birth and at the decease of said Eve the part now said was all that was left of it.
