[Note: several pages of the family record are in German, they are not included.]

For the purpose of obtaining the benefit of "An act for the relief or certain surviving officers and soldiers of the Army of the Revolution" appeared on the fifteenth day of May 1828—

I Frederick Keeler now of the Village of Waddington in the County of St. Lawrence in the State of New York do hereby declare that I enlisted in the Continental Line of the Army of the Revolution for and during the war, and continued in its service until its termination at which period I was a private in Captain Bell's Company, in the Second regiment of the New York line commanded by Col. Courtland—

And I also declare that I have no recollection of ever receiving a certificate for the reward of eighty dollars, but suppose I was entitled to the same under a resolve of Congress passed the 15<sup>th</sup> of May 1778—having enlisted as above, more than two years previous to that period—that at the close of the war I received a discharge from Col. Courtland at White Plains which discharge I have not now in my possession having delivered it to a Mr. Yates from whom I have never received it.

And I further declare that I was not on the fifteen day of March 1828 on the Pension list of the United States. (Signed with his mark) Frederick Keeler
