Dr. Sirs

Inclosed I Return Godfrey Youngs affidavit, he has been qualified by a Judge of this County, Herkimer and Certified by the County Clerk the Same as Rickard & Murphy, he is in hopes it will be found to be correct & satisfactory to the Department.—

Conrad Frans an old Revolutionary Soldier applied under the act of 1818 and was placed on the pension list, and has since been suspended and he supposes through the influence of some person or person to him unknown, more out of injury to him then for the publick good.

I am well acquainted with Mr. Frans and believe he was a true faithful and valuable soldier during the war, and was in most of the important battles, and received several wounds it is true he has or had a piece of Land & Bargained it away with his son in law in 1807, who has a large family & he himself a poor tool, which leaves the old man a very scanty support, he thinks it is very hard that his pension is Stopt, while others draw that did nothing in the war compared to what he underwent & performed, but says if nothing can be allowed him, that he would be glad to have his Discharge sent back to him it was sent on with his application in 1818 he prises his Dicharge very highly because it is Signed by Washington, a name he venerates above all others on Earth—

I hope I may be Excused for writing this as I have no other motive in it but to gratify a worthy old Soldier.  
Your Humble Servant, De. Van Horne
